LICENSING APPEAL ORDER

On August 6, 2010, Eighth Street Ventures, LLC (applicant) filed a request for a new Class C license with authorization to sell spirits and mixed spirit drink for consumption on the premises after 12:00 Noon on Sundays, and a request for authorization for the outdoor sale, service, and consumption of alcoholic beverages in an area measuring up to 34' x 25', located directly adjacent to the licensed premises, and which is well defined and clearly marked, to be located at the above-noted location.

At a meeting held on May 9, 2012, the Commission denied this request under MCL 436.1531(1) because the 2010 federal decennial census counts for the State of Michigan received from the Census Bureau and adopted by the Commission resulted in the city of Detroit no longer having any new quota licenses allotted to them.

Patrick Howe, legal counsel on behalf of the applicant, submitted a timely request for an appeal in this matter, and represented the applicant at the June 7, 2012 hearing at the Commission's Southfield Office.

After hearing arguments, reviewing the MLCC file, and discussion of the issue on

the record, the Commission tabled the matter on June 7, 2012 and placed it on its June 28, 2012 meeting agenda.

After further discussion of the issue at the hearing held on June 28, 2012, the Commission does not find error with the application of the MLCC Code or MLCC Administrative Rules.

For the reasons stated on the record, the previous order is affirmed.

THEREFORE, IT IS ORDERED that the denial order of May 9, 2012, issued in this matter is AFFIRMED.
